Student Athletic Trainer Workshop

July 12-14  
2026

## About the Workshop

The Student Athletic Training Workshop is held on the Texas A&M University Kingsville campus facilities.

The Javelina Sports Medicine facility is a state-of-the-art complex with several hundred square feet of rehabilitation and Athletic Training Room access. The space includes high-tech equipment such as Swim- Ex rehab pool, Whirlpool Area, First Aid/Wound Care area, and brand-new Cryotherapy and Therapeutic Modality Equipment.

These modalities will be used in several of the workshop classes. The hands-on nature of the workshop offers participants the opportunity to apply the knowledge that they learn while fine-tuning their skills! The Javelina facilities, combined with a veteran faculty, offer instructional opportunity that are unparalleled in the State of Texas.
